Alex WOODMAN

ELECTION DAY
- 3RD MAY

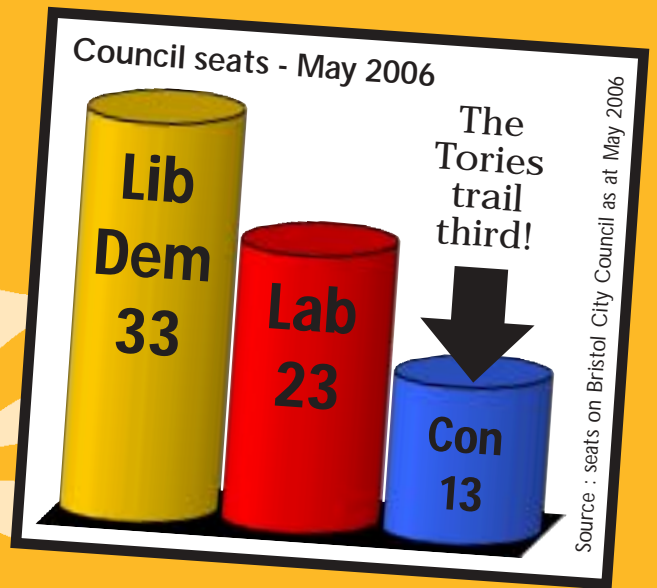

“Cabot Ward has had many years of excellent service from Lib Dem councillor Anne White. She is now moving on to pastures new.”
“I am hoping that Cabot residents will continue to support the Lib Dems. In return, I promise to build on the progress that Anne has made on local issues.”
“If elected, I will also work with our growing group of Liberal Democrat councillors to change Bristol for the better after years of neglect under Labour.”

Turning Bristol around... ...working hard for Cabot Ward

It's Lib Dem or Labour!

- 1 Only the Lib Dems or Labour can run Bristol City Council - the tiny Tory group trails in THIRD!

Vote WOODMAN for CABOT on 3rd May

Local campaigner Alex Woodman has lived in both Kingsdown and Redcliffe, and so has first-hand experience of many of the problems local people face at different ends of the ward.

As an advice worker, Alex has helped countless people with personal difficulties, and has campaigned on a wide range of local issues with the Lib Dems.

He is especially interested in environmental issues and helping to solve local problems. Cabot has particular problems relating to its central location - including nuisance from city centre drinking and commuter parking.

Alex's priorities for Cabot Ward

Resolving the outstanding recycling and waste issues, making Cabot clean and green

Pushing for a solution to Cabot's ongoing residential parking problems

Protecting local residents' interests over the University's redevelopment plan

Lib Dem Bristol... on the up!

The Lib Dems took over running Bristol City Council in May 2005, inheriting a city in financial chaos after 20 years of Labour neglect and mismanagement. Just two years later and Bristol is well and truly on the up! Nobody denies there is still lots to do, but with your support the Lib Dems will continue to turn Bristol around!
